As always this pattern is © by me (Jennie Bagrowski) and is for your personal use only, you MAY share it by linking to this blog, you may NOT sell it or upload it to any site without my permission. If you sell things made from this pattern I'd appreciate credit for the pattern design. ☺

If you downloaded this elsewhere it was stolen from: <http://jenwrenne.wordpress.com>

Quarter inch seams allowed on all pieces unless otherwise specified.

I assume you have basic sewing knowledge and the explanation should suffice, but if you need help please email me!

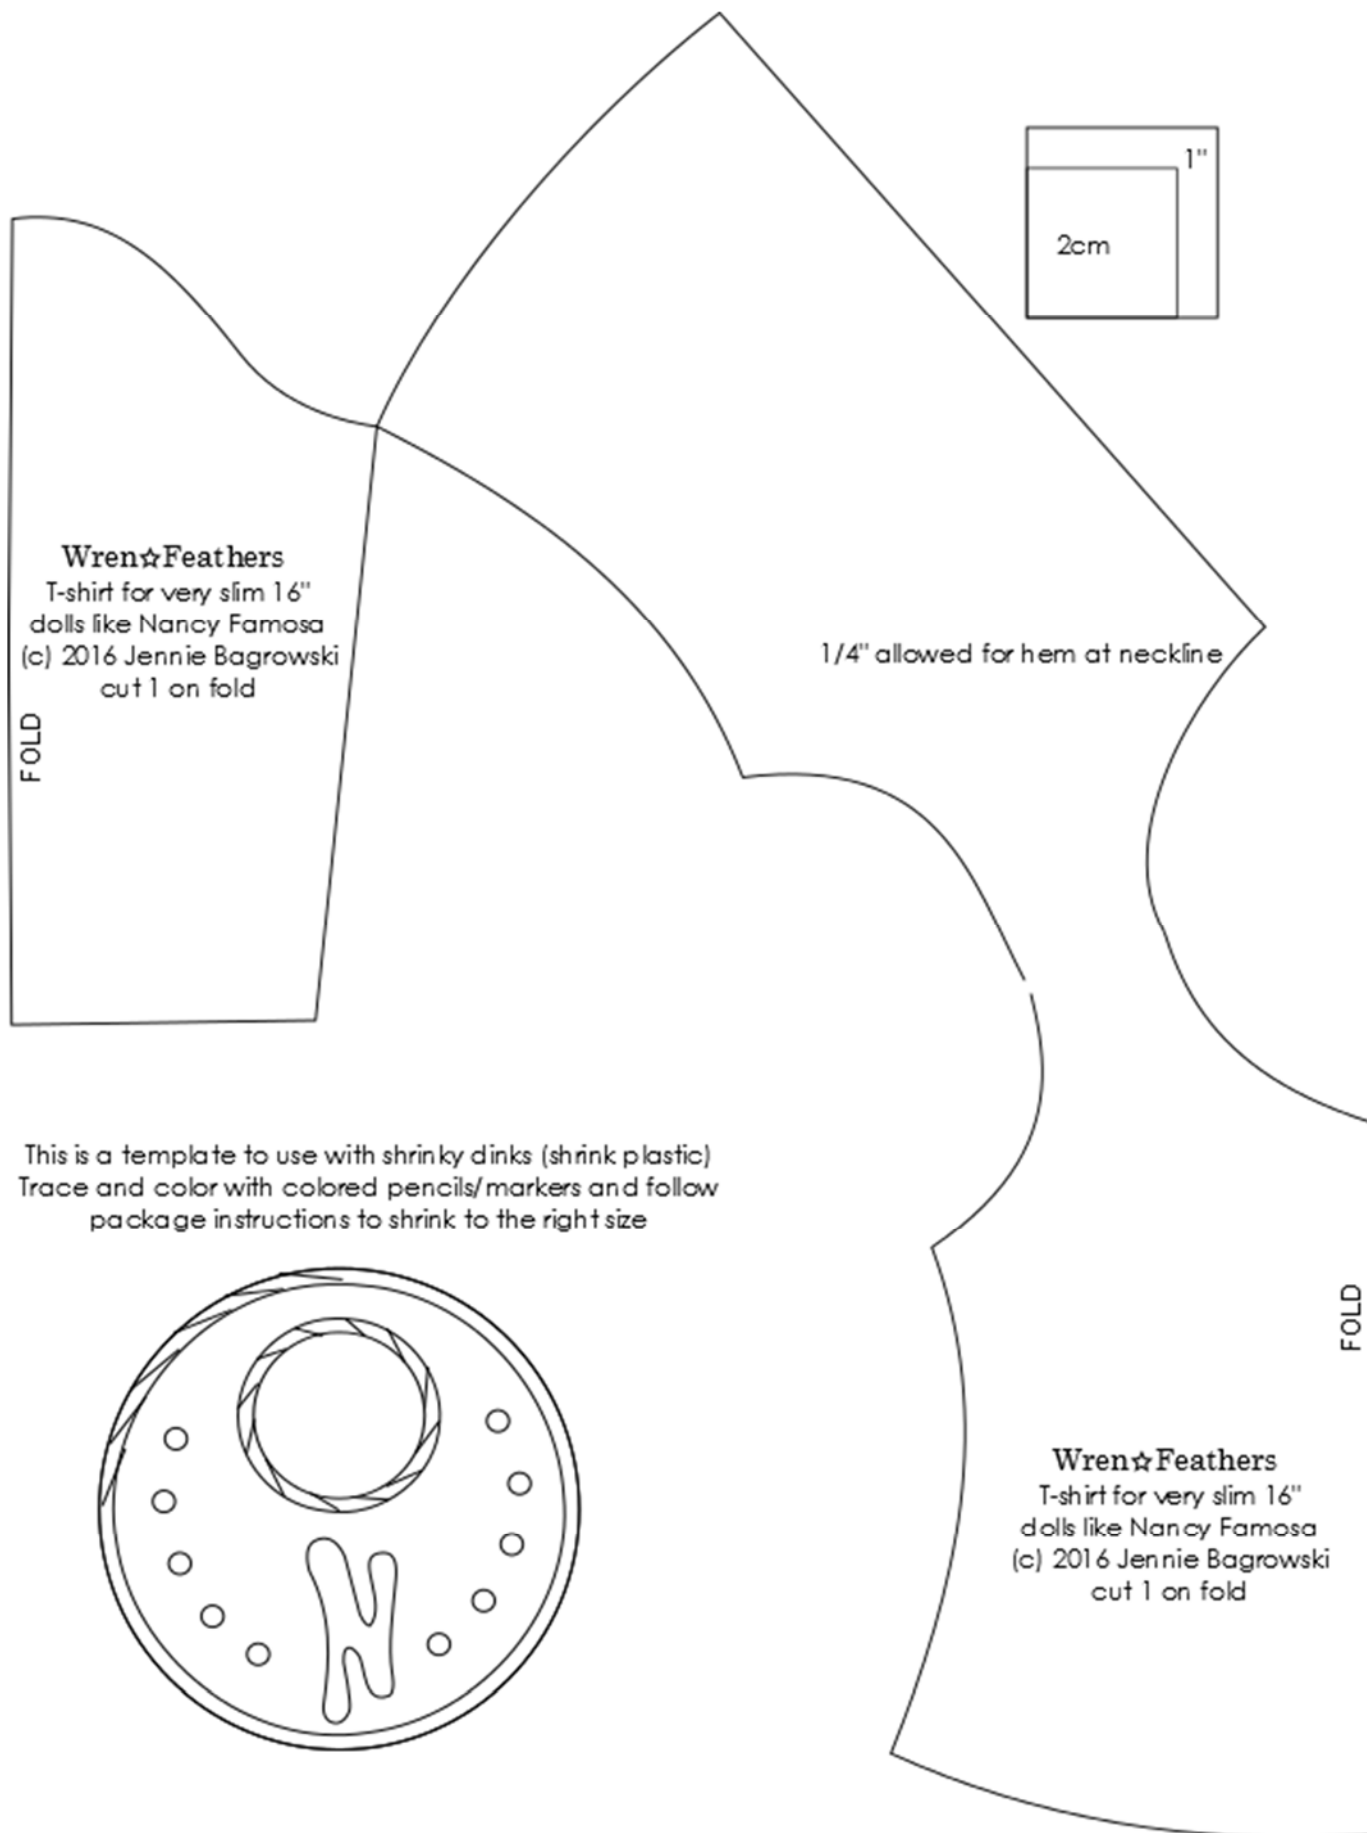

Reproduction Nancy Famosa

Note that here I eliminated the hem allowed in the pattern and substituted a folded band instead.

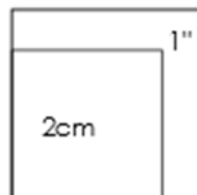

The original of this outfit was named “hippy” and had a molded plastic necklace that looked like a handmade clay pendant and the flowers on the pants were silk-screened. You can make the necklace in a very short time using shrink plastic (aka shrinky dinks) and the template provided below. Pants pattern is in my etsy shop with a pes embroidery file available for the flowers: <https://www.etsy.com/listing/493804035/pants-sewing-pattern-set-for-16-dolls>
